## What is NACDEP?

**The National Association of Community Development Extension Professionals** is an organization dedicated to improving the visibility, coordination, professional status and resource base of community and economic development Extension programs and professionals.

NACDEP makes no effort to proscribe what state or regional community resource and economic development programming and research look like, but rather is designed to assist those of us who deliver programming and do research under this broad umbrella to acquire and maintain the financial, political, technical and organizational resources we need to meet our objectives.

# Welcome to the 2018 NACDEP Conference!

## Message from the President:

**Trudy Rice**  
**NACDEP President**  
Kansas State University

Welcome to Cleveland and our NACDEP Annual Conference and business meeting! During the next few days you will have many opportunities to enhance your professional work through a variety of engagement avenues. These include general sessions with great speakers, break-out sessions by your peers across the nation, poster sessions for great ideas, mobile learning workshops throughout the city, and opportunities to informally connect with other NACDEP members and focus the conversations on what you want to explore. Do not miss any of these!

NACDEP provides our members with new ideas, personal connections, educational and financial resources, and recognition. You have an opportunity to benefit in every one of these ways this week. Take advantage of every opportunity to enhance the community vitality work in your state.

Thanks to our hosts from Ohio State University Extension for planning such a great conference-Cleveland Rocks!

## Message from the Conference Committee Co-Chairs:

The day has finally come. What started as a notion shared during a relaxing afternoon at the 2014 NACDEP Conference in Grand Rapids grew into a plan whose day is finally upon us. Along the way, dozens of dedicated NACDEP members and others have contributed in countless committee and subcommittee meetings. Previous NACDEP conference committee chairs have been consulted and our more recent NACDEP conferences have been studied from a variety of angles down to the most minute detail.

We are incredibly grateful to all of the committee members who have volunteered their time and talent from across the country as well as previous conference co-chairs who have provided guidance and perspective, the NACDEP Association staff (Ricky Atkins), and our gracious Renaissance Hotel hosts. With all this help, we are hopeful that we have put together a wonderful conference experience for you.

Welcome to Cleveland. We hope you like it!

# EVENING ENTERTAINMENT

**We are in the Rock 'N' Roll Capital,  
so let's ROCK!**

Sunday, June 10 from 9 to 11 p.m.

## **The Travelin' Johnsons**

Phil Talbot and Wes McCraw are two of Northeast Ohio's best and most entertaining musicians. Together they are the Travelin' Johnsons. With a unique acoustic approach to Rock, Country, and Blues classics (which includes the use of "foot percussion" and "live looping"), the duo has entertained audiences all over the country, including the Rock and Roll Hall of Fame, and even abroad. The group's specialty is the classic rock genre; however, the song catalog spans over 40 years and includes over 400 songs, including a few choice originals.

Phil Talbot is a former member of classic rock music icons, The Outsiders, band best known for its Top 5 hit "Time Won't Let Me." Wes McCraw, a well respected guitarist and producer, has worked with MTV, PBS Television, Hasbro Toys and American Greetings, among others.

Both Phil and Wes are former members of The Calabash Band, a 25-year Put-in-Bay, Ohio favorite. The Travelin' Johnsons have been, and continue to be, one of the most booked duos at "P.I.B." With a fan friendly performance style, a bit of musical virtuosity, and an extensive song catalogue, the Travelin' Johnsons continue to be successful.

*Please join us  
Sunday night and Tuesday night  
in Shucker's (lower level of the hotel)  
for performances by two renowned,  
Ohio-based bands.*

Tuesday, June 12 from 8:30 to 11 p.m.

## **THE Drew Allan DUO**

Packing the punch of a band in a smaller package, THE Drew Allan DUO is sure to entertain. Drew and A.C. met at a local Open Mic in 2008. While Drew was just getting his feet wet, A.C. emerged from a sea of experience and wisdom. The two would eventually form the duo that many have called nothing short of MAGIC!

The DUO consists of Drew's guitar and vocals plus the amazing sound of A.C. Collins on Sax. A.C. plays Alto, Tenor and Soprano saxes along with other various woodwind instruments. Early in his career A.C. shared the stage with the likes of James Brown and Smokey Robinson. Drew and A.C. are a rare collision of sound resulting in something truly unique.

Based out of Columbus Ohio the DUO performs a variety of music including Classic Country, Classic Rock, Pop, Blues, Island Tunes and more!
