wine market and table opened in 2017 after friends Kris Bowers and Zachary Davis moved to Fountain Square and were inspired to open a wine shop for locals to enjoy great-tasting, affordable wine. the shop focused on offering wine from smaller producers not often found at retail establishments. since then, wine market and table has evolved to a restaurant and bar that offers the same approachable wine the restaurant is known for, along with expanded food and cocktail offerings, designed to provide diners with an upscale experience at an affordable price.
